SFS anniversary seminars are a part of the celebrations for SFS 100 years anniversary in 2021. Throughout the year SFS will arrange seminars all over Sweden. Every seminar has a different theme where we will focus on different political issues concerning higher education and students. The seminars are currently arranged as digital webinars due to Covid-19.

The webinar will be moderated by Jacob Adamowicz, former president of SFS.
the panelists are:

Samuel Engblom
Policy Director, TCO

Sigbritt Karlsson
President of KTH Royal Institute
of Technology foto:KTH
