

Invitation to nominate for elected posts within SFS 2023-2024 financial year

The Election Committee hereby invites nominations for elected posts within SFS!

The document contains information on which elected posts nominations may be submitted for, who can be nominated, who can nominate and the format for nominations and when they must be received.

The Election Committee has collected information on what the member unions consider to be important for the posts and will obtain final input from the member unions during the member meeting in Stockholm. Until then, the previous year's profile of requirements is available as a frame of reference.

Elected posts

The elected posts for which nominations may be submitted are:
